

CHARGE UP! ELECTRIC VEHICLE CHARGER MANUFACTURERS LIST

Participants of the San Joaquin Valley Air Pollution Control District (District) Charge UP! Electric Vehicle Charger grant program are required to purchase an eligible new, Level 2 hardwired electric vehicle charger. Listed below are manufacturers that offer eligible Level 2 models. For more information regarding a specific electric vehicle charger, please contact the manufacturer directly.

This manufacturers list is not meant to be all inclusive and does not limit your selection. The District may periodically update this list as new manufacturers enter the market. For questions regarding the eligibility of electric vehicle charger, please contact program staff at (559) 230-5800, or via email at grants@valleyair.org.
