E. Change of Project Developer Certification

Current Project Developer

The current project developer must sign this section. The District will not accept signatures from any party but the current project developer.

I hereby certify that I am the current developer of the project identified in Section B of this Change of Project Developer Form and that I have read and understand the requirements identified in this Form. I hereby certify that I relinquish this project, or the specified portion thereof to the new project developer, and have notified the new developer of all District Rule 9510 Indirect Source Review (ISR) requirements for this project.

By my signature below, I represent that I have the authority to execute this change of project developer certification of the project and that the information submitted in this Form is, to the best of my knowledge and belief, true, accurate, and complete.

Current Project Developer Name (printed): _____	Title: _____
Current Project Developer Signature: _____	Date: _____

New Project Developer

The new project developer must sign this section. The District will not accept signatures from any party but the new project developer.

I hereby certify that I am the new project developer of the project, or the specified portion thereof, and that I have read and understand the requirements identified in this Form. I hereby certify that I have read and understand the District Rule 9510 Indirect Source Review (ISR) requirements for the project referenced above, I agree to comply with all requirements set forth in Rule 9510, including but not limited to payment of all past due and future fees, and that the construction and/or operation of the project will be in accordance with all plans, specifications, reports, Air Impact Assessment (AIA) application submittals and related communications approved by the San Joaquin Valley Air Pollution Control District (District).

By my signature below, I represent that I have the authority to execute this change of project developer certification of the project, and that the information submitted in this Form is, to the best of my knowledge and belief, true, accurate, and complete.

Please note: If there is a change to the project or New Developer acquiring a portion of the project, please submit the following required items:

- 1) AIA application form (available at www.valleyair.org/ISR), and
- 2) AIA application filing fee.

New Project Developer Name (printed): _____	Title: _____
New Project Developer Signature: _____	Date: _____
